VAMACO INVESTMENT LIMITED

Tal Ged
Group Managing Director

Vincent Okoye
Managing Director

Vamaco Investment Limited is a company registered with Nigerian Corporate Affairs Commission with Combine version of operation which resulted in UK, Nigeria Management team. Since the inception, the company has multiple shares capital We believe in maintaining the highest standard of professionalism, integrity, creativity, positive attitude, delivery that meets and surpass expectations while offering prompt and lasting solutions that stand the test of time.

In view of this, it demands corporation which is the foundation of the business promotion. There is need for professional partners to sit down in a round table to discuss issues pertaining to their business because the designers today are the planners tomorrow. Yet still nothing will happen in isolation without connection. It takes creativity to generate projects being at the local or global level research has to be carried on in various aspects of projects being oil and gas, civil engineering, building construction.

Our Company Vamaco Investment Limited has been in the race of infrastructural development being in the Nigeria Port Authority, our company is ready, willing and able to give a total challenge through corporate partners to carry on execution from one point to the state of heart of any project. We believe in approach towards any project with team of professionals, delivery can be achieved. With long run strategy and articulate short term techniques, Continuity and stability in this profession shall usher us into maturity then success has to come for our mutual benefits.

Thank you Gentle Men
